

# Blank Page

By Rebecca Gardyn Levington  
Illustrated by Jessica Tamar Deutsch

This page is blank, but I can see  
it's full of possibility.

Perhaps I'll **paint** upon this page  
a picture of myself onstage;

draw a dreidel; trace a tree;  
write my letters **abc** –

cover it with **glitter glue** ;  
wrap a gift to give to you;

shape it till it's super small;  
**crumple** it into a ball;

smooth it out, then lay it **flat** –  
make a Purim party hat;

cut out snowflakes or confetti;  
rip **long** strips like flat spaghetti;

fold a plane and let it **fly**  
craft a card to “just say hi;”

**bend** the sides until they roll –  
it's a mini Torah scroll!

This page is blank, but I can see  
it's full of possibility.
